1. A memorandum has been sent to the Divisions requesting submission of their procurement schedule for FY-85. The newly formed MLS/LOGS Group will compile and coordinate the schedule with Logistics.

2. OC's critical unfunded requirements for FY-85 have been forwarded to the Comptroller through the DDA.

3. The field has been provided tentative operating levels for the FY-85 budget to be used as general guidelines until the actual operating amounts are issued.

25X1 
6. In anticipation of large deliveries of KY-71's (50 per month) being available beginning in December, SINAG and DND have been discussing deployment and installation strategies. It appears that we will be able to accept the large deliveries for immediate issue.
